

PLEASE SUPPORT SB11 Senate Bill N. 1172 by writing to your state reps **ASAP!** End cruel and dangerous constant chaining of dogs in NC! Many cities, counties, states (CA, TX, CT, VA, WV, MD) & even countries now have laws on the books regulating, limiting or banning chains and many more are pending. "Outside" or constantly penned dogs are also at risk and victims of abuse. Most "backyard breeders" or "puppy mills" as well as dog fighting rings chain or pen thier dogs & add to out of control pet overpopulation. N.C. has the third highest pet euthanasia rate in the country! Please write and support this bill & end tragedies like these:

"If you have men who will exclude any of God's creatures from the shelter of compassion and pity, you will have men who deal likewise with their fellow men.

Not to hurt our humble brethren is our first duty to them, but to stop there is not enough. We have a higher mission to be of service to them whenever they require it." St. Francis of Assisi
